- Graphics

How to make a Submission?

1. Create a Zip file with your Project Folder and a Readme.txt which will contain all your personal details like Name, Branch, Roll Number, Email and other details (and also a generated APK file in case of an android app).
2. Upload this Zip File to your Google Drive.
3. Selecting the Project File, Click on the Right Mouse Button and select Share.
4. Select the Advanced Option present on the Bottom Right of the Pop-Up.
5. Under Invite People type in the Dev Society Email: devsociety.bit@gmail.com
6. Click on Dropdown menu just beside the Email Textbox and select “Can Edit”.
7. Also, copy the “Link to Share” Link present at the top of the popup and Email us all your personal details along with this Link and subject as “DEV OF THE YEAR Submission” just in case anything goes wrong.
8. Check the “Notify People” Checkbox and Click Send.
